Top Dog 2018 – Bitches in Season.
Entire bitches who have qualified for Top Dog Agility or Jumping will be eligible to compete in the Top Dog Finals if in season.

At the completion of the AM events Top Dog will be run and the PM events will not commence until the completion of Top Dog.

Bitches in season will be required to run last in the running order of their ring and will only enter the Top Dog precinct immediately prior to their competing and will leave the Top Dog precinct straight after their round. A start line mat will be required for their starting position in the ring.

In order to accommodate this the Agility Committee reserves the right to schedule the running order and the height order appropriately on the day, or to make changes to the published schedule if the need arises.

General competitors should be aware that there is a possibility there will be bitches in season in the Top Dog rings these rings will NOT be used for general competition at the conclusion of the Top Dog Finals.

Bitches in season are NOT eligible to compete in general competition during the day.
